

We design cakes for any occasion from weddings to birthdays, anniversaries and corporate events. All our cakes are custom designed for your unique celebration.

For weddings, we need about an hour consultation with you during which we will provide a tasting of 2-3 flavor/filling combinations for your approval and discuss your needs and ideas. Please call early in the process for an appointment.

### **Single-Tier Cakes**

A round 4- layer cake (5" high) made of one of our listed flavors and fillings, frosted and decorated with butter cream begins at \$36.64 for a 6" cake (diameter). Prices increase with size and decoration. A smash cake for babies is a 6" two-layer cake and starts at \$15.00.

### **Tiered Cakes**

The starting price for a Tiered or Tiered wedding cake is \$3.10per slice (person). Additional charges apply for decorations, modeled figures, separations, pillars, columns, and toppers.
